Monday is tailored towards property owners and those who have a direct vested interest in Main Street.

Tuesday is tailored towards community leaders, town partners, individuals in and around Spring Lake who have a commitment to the betterment, development and growth of spring Lake. Wednesday is tailored towards a broad audience, to include those who attended day 1 and 2, and consists of breakout work sessions where brainstorming and feedback is collected to formulate plans moving forward. Although each day is tailored to a specific audience, the charette is open to the public. There is no charge to attend. Participation is encouraged.
